OFFICE OF THE CHAIRMAN

Dear John:

The White House forwarded to me a copy of National Security Action Memorandum No. 222, dated February 20, 1963, concerning the security aspects of using submarines in a multilateral force. On February 20th at 4:00 p.m. - the issuance date of NSAM No. 222 - the Joint Committee on Atomic Energy held an executive session on this subject.

I thought that you might be interested in reviewing the transcript of that session and I am therefore enclosing a copy.

Cordially,

Glenn T. Seaborg
